Hi Tom,

Based on that, and our need to keep this moving, I've modified the document based on the comments I received so far. Please let me know if you have any other comments on it as soon as possible, and otherwise we will forward this along to my Director to discuss with the RA. Thanks.

It depends on what the process is and who this is for. I took Lori's email to mean that we should be going to Dave Ross on this. If that's the case, then it could be a while. The Attorney Client / Deliberative Process / Ex. 5 need to be vetted with Steve Neugeboren and David Fotouhi and I have no idea how they'll want to approach this. If the paper is for the RA and is primarily coming from the Region, then I can get you my comments sometime tomorrow with the understanding that ORC owns the analysis, not OGC.

Hi Tom,

I know you just got Jim's comments an hour ago, and am not trying to rush you. For the purposes of my planning and trying to keep things moving on this end, do you know when you might be able to get your edits back to me? We want to try to get something in front of the RA ASAP, so I'm just trying to work out a timeline. Thx.
